Eligibility for 16-19 Discretionary Bursary

Dear Parent/ Carer,

As your child is currently eligible for free school meals, they are automatically entitled to receive the 16–19 Discretionary Bursary for the 2026-2027 academic year.

Please see the attached information letter, which explains how the school can use this funding to support your child. The bursary may be used to help with costs such as transport, equipment, or other items needed to support your child's education. The funding allows the school to purchase invaluable resources to enrich your child's education.

To enable us to apply for the funding on your child's behalf, please complete the highlighted section of the application form and ensure the final page is signed and dated.

Please note that this application form applies to the current academic year only. You will be required to reapply for bursary funding for the 2027–2028 academic year in September 2027, if your child is still at Riverwalk School.

If you have any queries, please contact the school office at bursaries.riverwalk@consortiumtrust.org.uk

Kind regards,

Riverwalk Office.
