

We are seeking volunteers to join our Locality Committee at Riverwalk School

About Locality Committees

The role of Locality Committees (LCs) is an important one. It is to provide focused challenge and monitoring at a local level. The Locality Committee monitors the School(s) Development Plan (SDP), the Self Evaluation Framework (SEF) and key performance indicators including the Accountability Overview Document (AOD) and offers challenge and support to the Academy Head and Senior Leadership Team.

Locality Committee Teams from across all settings will meet each term and have a specific topic to discuss, which will be identified within an annual schedule.

Being on the committee is a challenging but hugely rewarding role. It will give you the chance to make a real difference to young people, give something back to your local community and use and develop your skills in a board-level environment.

As a committee member you will be able to:

- Use your own experience of education and life beyond school to inform conversations
- Develop and utilise your skills in a board-level environment
- Make a valuable contribution to education and your community
- Support and challenge the school so that it improves for pupils and staff
- Bring your unique experiences, perspectives and insights to decision-making in the interests of the school community

Who can volunteer?

Anyone aged over 18 can join and you do not need to be a parent.

There is no requirement for you to have an understanding of the education system, just the necessary skills, character and time to contribute. There is plenty of training available to help you learn about education.

Schools need and benefit from a range of professional knowledge on their committee including education, finance, human resources, legal, marketing and public relations, property and estates management. It is also important that you have time to commit to the role.

About Riverwalk School

Riverwalk is a special educational needs school in Suffolk which caters for young people with severe learning difficulties (SLD), profound and multiple learning difficulties (PMLD), as well as physical and mobility difficulties.

We are committed to ensuring our pupils have a range of different opportunities in school.
